

Position Title: After School Activities Developer

Reports to: Alix Clark

Time Commitment: 1-2 hours per project

Summary:

After school programs give students the opportunity to learn about The Be Kind Pledge using a high energy and interactive approach. Volunteers can create new activities and games geared towards K-8th grade students that incorporate team building and The Be Kind Pledge.

Responsibilities:

- Become familiar with the definitions of each Be Kind Pledge skill
- Brainstorm new games and activities that are engaging for students, require minimal materials, and help students learn the Be Kind Pledge
- Write up the activities in a way any CREW member could read and implement in an after-school program

Requirements and Skills:

- Creativity
- Good writing skills
- Bonus: Involve students in the process
