

Position Title: Grant Research Volunteer

Reports to: Wendy Chovnik

Time Commitment: 2+ hours per project

Summary:

Finding new grant partnerships is an integral part of reaching new communities and helps us provide programs to schools that wouldn't have them otherwise. Volunteers can contribute to this by helping research new grant opportunities for The Be Kind People Project as a whole, as well as help individual schools find grants that could help bring our programs to them.

Responsibilities:

- Research general grant opportunities for The Be Kind People Project
- Research grants that would apply to individual school scenarios

Requirements and Skills:

- An understanding of the mission and programs of The Be Kind People Project
- Diligence
- Attention to detail
- Creativity
- Bonus: Past research or grants experience
